

FALL 2012

FOOTWEAR

LOOK BOOK

"Softer leathers with burnished metallic tones, buttery soft sheep nappa and kid suedes add a luxurious touch to our fall 2012 collections. With each new style you'll find attention to detail that makes each shoe truly special. These shoes will not only be your most comfortable, they will be your favorites."

TECH FEATURES

STAPLED CLOG COLLECTION

HEEL HEIGHT 2"

1. Upper - Highest quality leathers

Designs follow the natural contours of the foot. Instep collar is generously padded. Upper designs accommodate most foot types.

2. Toe Box - Thermoplastic

Sturdy reinforcement adds durability and toe protection. Allows toes to move comfortably.

3. Heel Counter - TPU (Thermoplastic urethane)

Acts as a natural shoehorn. Allows heel to move up and down when walking. Provides lateral stability.

4. Heel Cup

The drop-in cavity cradles your heel and prevents it from sliding sideways in the shoe.

5. Socklining - Leather Socklining

Anti-microbial

6. Footbed - Breathable open-cell PU foam

Absorbs and evaporates perspiration.

7. Inner Frame - Polypropylene

Provides stability, reduces torque and provides lateral stability.

8. Outsole - Polyurethane

Rocker-bottom sole propels foot forward when walking. Wider heel for greater stability. Improved compound for shock absorption equal to athletic shoes.
