Fall/Winter 2010

TAKE COMFORT EVERYWHERE*

*Mandy Cabot
Dansko Co-founder*

*Kipling boot in Colorado high
country...see page 18*

*Check out Peter's
latest adventure...page 22.*

One of my favorite things about my Dansko shoes is that I can take them anywhere. From the boardroom to the barn, from an afternoon of errands to dinner with friends, from the kitchen to the community center—they go everywhere!

I am always on the lookout for new and amazing settings in which to test my shoes. Just this summer they followed a herd of elk high above treeline in the southern Colorado mountains.

Speaking of great adventures, I couldn't be more excited to announce that Dansko has partnered with the award winning magazines Food & Wine and Travel + Leisure, to bring you a complimentary subscription for a year!

Just buy a pair of Dansko shoes and get a year full of inspiration FREE! So what will YOU do in your Dansko shoes this year?

All good things,

Mandy

A \$54 value gift for you!
For details visit dansko.com/foodandwine

Inspire and win. Post a picture on the Dansko Facebook page of yourself wearing Dansko shoes while enjoying a new adventure. The first five people to share will win a free pair of Dansko shoes. Please be sure to use the header "My Dansko Adventure" so we know you are participating. Good Luck!

* UNIQUELY YOU

In everything we do, there comes a chance to leave our mark. Which is why every season we bring bold new interpretations of the world's most comfortable clog. Find the one that lets you be you, because well, everybody else is already taken.

Check out our Kids' collection
...see page 20.

What makes a Dansko clog unique?

1. Anti-Fatigue Rocker Bottom

keeps you going all day long

2. Wiggle Room

allows toes to move comfortably

3. Anti-Skid Tread

for secure, stable footing

4. Superior Shock Absorption

comparable to sports footwear*

5. Secure Heel Cradle

helps prevent sideways sliding in the shoe

6. Enhanced Lateral Stability

re-engineered for improved balance

*SATRA Testing Results

Contoured footbed for total
foot support

*** LOCALLY GROWN**
Whether it's veggies or shoes, it's nice to know where they're from. With Dansko shoes, you know a fun loving family in West Grove, PA designed these shoes to give you as much comfort and support as possible.

ASK DANSKO...

Dear Dansko,
Don't scold but I've spent years swearing by the comfort of my ballet flats. I've changed my unsupportive ways but not before it landed me with plantar fasciitis. I love the look of your shoes and I know they are good quality but am I too late?

Sincerely,
Not Ready for Orthopedics

Dear Not Ready,
While we are firm believers in prevention, you are certainly not too late. Our Professional Stapled Clog has a firm footbed that acts as a natural orthotic. The contoured footbed provides the full foot support you need and the rocker bottom smooths your stride and softens your landing for a truly comfortable experience. Or try our Acadia collection, a low profile active clog silhouette that features a removable footbed capable of accommodating an orthotic.

Happy heeling,
Dansko

ASK DANSKO...

Dear Dansko,
My friend and I have a little bet. She swears she saw the cutest pair of Dansko flats. I say they can't be Dansko because Dansko only does clogs. There's a lunch riding on it. Who wins?

Sincerely,
Kinda Hoping I'm Wrong

Dear Hoping,
We have good news and bad news. The bad news, you're out a lunch. The good news, Dansko most definitely does flats—heels and sandals and boots! Just this Fall we are introducing two new non-traditional clog collections. Brandywine, a low profile wedge with whimsical detailing and Berkeley, an office appropriate low profiled tailored collection. So may we suggest, after lunch, you head to your local Dansko retailer and check out all the new Dansko offerings?

Bon Appetit,
Dansko

A photograph of two women standing in a grassy park area. The woman on the left is wearing a beige blazer, a light-colored turtleneck, light blue jeans, and brown lace-up boots. The woman on the right is wearing a cream-colored knit sweater, a red beret, blue jeans, and dark brown boots. She is holding a blue bowl of popcorn and making a peace sign. In the foreground, there is a picnic basket with a plaid blanket and a red leather sofa with colorful cushions. A purple banner with the word 'BOOTS' in white is overlaid on the image.

ASK DANSKO...

Dear Dansko,
With socks or without?

Best,
Year Round Clog Lover

Dear Clog Lover,
We've seen Dansko clogs worn every way imaginable—with low socks, with high socks, with tights, with footies or without—and we are fans of them all! But as we head into Fall and Winter may we suggest our new Dansko sock collection? With added cushioning at the heel and ball of the foot, built in arch support and four times the Lycra® of other leading brands, they are the perfect accompaniment to the all day comfort of a Dansko clog. Available in 3 heights, 6 styles and 12 colorways—plenty of options to get you through to next summer.

Until then, cover up!

ANATOMY OF A DANSKO KID'S CLOG

1. ROCKER BOTTOM:
 The same rocker action that keeps Mommy's foot moving forward is featured in this children's version. Same energy return benefits, too!

2. WIGGLE ROOM:
 Plenty room for little toes to play!

3. CONTOURED FOOTBED:
 Contours are less pronounced to match a child's foot but the support is just as powerful as our original clog.

4. LIGHTER WEIGHT:
 Lower outsole makes the shoe more stable and easier to run and jump in.

5. WIDER BASE:
 Provides greater stability and better balance—especially for kids.

* AHEAD OF THE CLASS

Crafted with soft, styled leathers, lined with ultra smooth pigskin, and finished with long wearing outsoles, you can wear your Dansko shoes to work, about town, or while playing hooky.

PETER'S CORNER

Sometimes it's hard to believe that water is a limited resource but each year we put greater strain on our supplies. Water quality is a serious concern and one Dansko is taking the lead on.

You can read about our water saving initiatives at Dansko.com, such as our green roofs, pervious parking lots and rainwater collecting system, but we are also working with the community to make sure the waterways around Dansko and throughout PA stay clean.

There are plenty of things you can do to help. Be aware of your water use. Plant trees, shrubs and groundcover instead of grass. They keep pollutants and erosion from entering the waterway—and keep you cool in summer. Capture rainwater and use it to water plants and always be aware of what you wash into city drains.

With a little vigilance we'll make sure safe water is here to stay!
